Meat immediately after being slaughtered is never tender and should be kept a day or two. In order to have it fresh after the expired time it should be kept in a cool place. M. C. Gardner sells meat both tender and fresh, as it is always surrounded by ice at a freezing temperature.

The new United Monster Shows will be with us at Carson on Wednesday, October 8th. From all accounts this mammoth combination, with its wonderful galaxy of aerial talent and wonders from wonderland, will, with its advent here, mark an epoch in the history of our town. It is by far the greatest circus in the universe, and our citizens, both near and far, should feel specially honored by its coming. One feature alone of its many attractions, Queen Jumbo, is enough to arouse the curiosity and attention of everyone within fifty miles. The presence of the largest animal in the history of the world, and that a living, breathing, moving mountain of flesh, is sufficient to startle the sluggish blood of the most inert among us. See advertisement elsewhere in our columns.

THE LAST DAY.

All Races Go Off Smoothly—The Fair a Success.

The wind came from the South in the forenoon, making it much more pleasant than the day before. The horizon was devoid of clouds, and the last day did fair to be the best of the week.

The girls' race was the first on the program, and four entries were made, the distance being a quarter. Only one heat was run, Miss Jones winning.

This was followed by the ladies' race, Miss Colyer winning easily. But two entries were made.

Buggies loaded down with gaily attired ladies began to arrive just before noon, to witness the postponed mixed race of the day before, to be followed by the balance of the program. Crowds of impatient pool buyers clustered around the box, and money seemed to be plentiful.

In the mixed mile race considerable nervousness was apparent among the gamblers, as it was the first appearance at Carson this week, of the horses booked. After Judge Allen instructed the drivers to win as many heats as possible, the following horses started: Frank M, Belle Button, Tom Ryder, Ned Winslow and Chas. Derby.

The first heat was taken by Frank M in 2:20, Chas. Derby distanced. The start was a good one, and all horses hung well together.

Second heat—Some delay in starting and Frank M won by half a neck amid cheers in 2:19 and 3/4. This brings us back to the time when the famous Flora Temple made the same time on the Kalamazoo Michigan track, and it was supposed at that time it never would be beaten. This is also the fastest time ever made in the State, and gives this track an enormous advantage over the Reno course, the fastest time made at that point being 2:21.

Third heat—First start was a go, but Frank M fell a little behind in the first quarter, then he gathered his energies and passed over the line a neck ahead, winning three straight heats and the purse of \$1,200. Time 2:23.

A mixed race was made up in which Prince, Hayward, Nevada, Sam Lewis and Vidette were entered.

First heat—Little slow in starts, but Sam Lewis won the heat, Prince a close second, in 2:27.

Second heat—Hayward wins after a bad start and some close work on the back stretch. Time 2:30 1-2.

Third heat—Good starting with Hayward a little in advance, falling behind on the back stretch and closing up on the last quarter. After three breaks he passed under the wire well in the lead, but the Judges gave the heat to Nevada, putting Hayward back for running. Time 2:29. Sam Lewis was distanced.

Fourth heat—Vidette took the lead, Hayward fell behind and Vidette took the heat 1 2:30 1-2.

The one half mile dash between The Jew, You Bet, Rock, McGuire and Dew Drop was won by The Jew 1.50 sec. mds.

The three fourths and repeat between Nerva, Mohawk, Peregrine, Princess Norfolk was taken by Nerva in two straight heats. The special trot between Hayward, Vidette and Nevada was won by Vidette 1:23.5.

The three eighths dash was won by Nerva in 1:17 1-2.

The three eighths dash was won by The Jew in 36 1/2, making the closest race of the season.

The one mile dash between Len, Hotspur, Intuition and Hotspur, was won by Shannon in 1:44 1/5. It was the finest race ever run on this track, and the howls of applause from the grand stand were simply deafening.

This close one of the most successful fairs within this District, and although there was no pavilion exhibit, Carson has carried off the palm at the track.

The racing men speak very highly of the treatment received at the hands of the Directors and attendance of the Fair, and signify their willingness to appear here at any and all times.

A fine line of gloves, handkerchiefs, ruckings and infant's knitted goods at Mrs. Stine's.

Signor Bosco.

Signor Bosco, the illusionist, opened at Piper's last night to a very fair audience.

He did his work very cleverly and was frequently applauded. After the performance proper he distributed a large number of elegant presents to those holding winning numbers. The presents were far more valuable than the average articles given at such entertainments. During the distribution of the presents, much mirth was occasioned when young men received ear-rings and young ladies got moustache cups.

At tonight's performance, included in the numerous valuable presents will be a ladies' gold watch, the wholesale price of which is \$35. There will be an entire change of programme, including an expose in spiritualism and tests in hypnotism. Tomorrow night will be the last appearance of Signor Bosco in Virginia.

—Enterprise.

Bosco will appear here next Monday and Tuesday.
